

Attestation Statement for New Hampshire Applicants to the CPA Examination

First Time Candidates in New Hampshire must sign and submit the following Attestation Statement:

- Under penalty of perjury, I certify that I am of good moral character and to the truth and accuracy of all statements, answers and representations made in the foregoing application, and in all supplementary statements and materials.
- I attest that I have reviewed the educational requirements for the State of New Hampshire and believe that I meet those requirements as stated therein. I understand that all educational and experience requirements must be met to receive a CPA certificate. I also agree to appear in person, if requested, at a time and place determined by the Board or to furnish additional information for the purpose of aiding the Board in the determination of my qualifications.
- I confirm that I have read the Information for First-time Applicants and the Candidate Bulletin. I agree that in the event my examination(s) results are unscorable, any claim I may have will be limited to the examination fee paid by me.
- I understand and agree that I will not divulge the nature or content of any examination question or answer to any individual or entity; I will report to the Board any solicitations or disclosures to which I become aware; I will not remove, or attempt to remove, any examination materials from the examination room. Failure to comply with this attestation may result in my examination score(s) being invalidated, disqualification from future Uniform CPA Examinations, and facing possible civil and criminal penalties.
- I understand successful completion of the Uniform CPA Examination does not qualify a person to use the designation CPA. New Hampshire is not a two-tiered state and no certificate is issued upon successful completion of the Uniform CPA Examination.
- I understand in order to obtain a certificate and license to practice as a CPA for the State of New Hampshire, I must submit all necessary forms, meet the education, the good character and have public accounting or governmental experience pursuant to RSA 309-B: 5. The public accounting experience must be obtained pursuant to RSA 309-B: 5 IX, and the governmental must be obtained pursuant to RSA 309-B: 5 X. You may earn your experience before, during or after the exam. A complete set of statutes and administrative rules are available on the New Hampshire Board of Accountancy website.
