
State Board Relevance and Effectiveness Committee

Measuring Effectiveness

Six Elements of Effectiveness

- Initial Qualifications and Licensing
 - Continued Competency and Compliance
 - Enforcement
 - Board Operations
 - Rule Making
 - Collaboration with Stakeholders
-

Improved Effectiveness

- Ability to Benchmark Board Activities
 - Develop trends
 - Indicate areas to improve
 - Empirical Data
 - To combat negative and damaging legislation
 - To encourage changes to support public protection
-

Benchmark Tool

- Provide annual benchmark data to assist boards in seeking incremental increases in relevance and effectiveness
 - We want all boards to participate
 - Tool is to assist in getting better not to evaluate
