## Puerto Rico Certificate of Enrollment

If you are currently enrolled in your last semester to complete your bachelor's degree or 150 semester hours, you may still qualify to sit for the Uniform CPA Examination provided you have already completed 32 semester hours in accounting and an additional 32 semester hours in accounting and business with a 3.0 GPA or higher in accounting. In conjunction with your application for the Uniform CPA Examination, this form must be submitted to CPA Examination Services (along with an official transcript). CPA Examination Services must receive a final official transcript documenting successful completion of the education listed below. Upon passing the Uniform CPA Examination, your congratulatory letter will not be released, and you will not be permitted to apply for licensing until CPA Examination Services received your final official transcript. Although you may be permitted to submit a new application to retake failed sections or to sit for new sections before your final official transcript has been received, if you pass the examination, your Successful Candidate letter will not be released until your transcript has been received.
